MY BEST FRIEND.

Alexander Benton, who lives on Rural Rout 1, Fort Edward, N. Y., says: "Dr. King's New Discovery is my best earthly friend. It cured me of asthma six years ago. It has also performed a wonderful cure of incipient consumption for my son's wife. The first bottle ended the terrible cough, and this accomplished, the other symptoms left one by one, until she was perfectly well. Dr. King's Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equaled it. Fully guaranteed by all druggist. 50c and \$1.00. Trial bottle free.

JUDGE O'REAR TO DELIVER BACCALAUREATE AD-DRESS.

Chief Justice E. C. O'Rear, of the Court of Appeals, will deliver the Baccalaureate Address to the gradutaking class of Kentucky University
Law School, Lexington, on Wednesday next, June 12, at 10:30 o'clock. This gives assurance that the stu-dents will hear an able, scholarly and eloquent address.

A FORTUNATE TEXAN

Mr. E. W. Goodloe, of 107 St. Louis
St., Dallas, Tex., says: "In the past
Great I have become acquainted with
Dr. King's Life Pills, and no laxative
I ever before tried so effectually disposes of maiaria and billiousness."
They don't grind nor gripe. 25 cents

A HOUSE OF GOVERNORS.

A HOUSE OF GOVERNORS.

If the proposed House of Governors offers an additional safeguard to the form of our republic, and to representative government, ict us by all means have it. Its convocation requires no federal act. The legislatures of the several States are competent, on their own initiative, to create and maintain its meetings, and nothing but good can come of such a gathering, which is powerless in other respects, as its mission would be corrective, not creative legislation, and heaven knows our national statute books are filled with errors that cry aloud for correction, and for which there is no obvious remedy.

Wisconsin, one of the most progressive States of the Union, has before its assembly at this moment a

It is probably too late this year to secure similar ac-tion in other States, but there is a next year and a next, and eventual-ly the House of Governors will as-semble.—Our Country for June.

It is hard enough for any one to endure all such suffering and misery, but for one as heavy as myself it seems to come doubly as hard. It was not until I learned about Doan's Kidney Pills that I found a remedy that would do just what is claimed for it. I procured a box of J. W. Gayle's drug store and their use corrected the action of the kidney secretions, relieved the dreadful aching in my back-and helped me in every way. There is no need to have any doubt about Doan's Kidney Pills, as they do exactly as represented."

AFTER FORTY YEARS.

After a contest lasting over forty years the U. S. Court of Claims decided, on Monday, that the claims of Gen. T. T. Garrard, Hon. Daugherty White and others against the U. S. Government for damages was a just one for the destruction of the Goose Creek Salt Works, in Clay county, under order of Gen. D. C. Buell, during the Civil War. The amount allowed was \$18,000, with interest from the date of the destruction of the works. We are glad that this wrong inflicted on the old veteran, Gen. T. T. Garrard, has been righted.

The Court of Appeals, by Judge Barker, affirmed the decision of the Franklin Circuit Court in Percy Haly vs. Horace Cochran, etc., and Horace Cochran vs. J. C. W. Beckham, Governor

ham, Governor.

The action involved claims of the State militia called into service by W. S. Taylor, acting Governor from January 31, 1900, to May 15. The lower court rendered judgment directing Gen. Haly to certify the payrolls as correct. This court holds that under the circumstances the soldiers having rendered the service were exittled to nay and says the were entitled to pay, and says the judgment dismissing as to the Govjudgment dismissing as to the Governor was correct. The pay-rolls had not been certified to him. "When the pay-rolls are certified by the Adjutant General, we have no doubt they will be approved by the Governor, and this is all that need be said upon this question at this time."

ALL DRUGGISTS: 50c. AND \$1.00 ****** STATE FAIR NOTES.

The Kentucky State Board of Agriculture, Forestry and Immigration, under those auspices the State Fair will be held at Louisville, Sept. 16-21 has completed the classifica-tion of premiums for the next State Fair, and the same is soon to go to press for distribution among over twenty thousand prospective exhibi-

He was the first American to make a successful flight in an airship, and has been perfecting the can to make a successful flight in an airship, and has been perfecting the machine that penetrates the skles ever since his first flight at the St. Louis Exposition in 1904, until now he has has a vehicle soaring the air, which carries additional passengers.

The interest in the Kentucky State Fair this year leads the Kentucky State Board of Agriculture, which is in direct charge, to believe that it will be the largest attended event of any kind ever held in the State. The dates—September 16-21—form a most propitious period for all classes of people. The picturesque beauty of the scenery about Frankfort is unsurpassed by any other city in this country, and probably in the world. Stereoscopic views of this scenery adorn allums in all mosts of the scenery of the scenery and the scenery of the s passed by any other city in this country, and probably in the world. Stereoscopic views of this scenery adorn albums in all parts of the world, and the brush of the painter has depicted its artistic splendor upon canyass in colors that delight the eye and fill the imagination. The forest clad heights, the rugged hill tops, the deep ravine and precipitous chasms, the gigantic rocks that jut ut to the be-ring, ciffs, the sylvan, silent delis, where the sparkling brooklet plays, and where the sparkling brooklet plays, and where the sparkling brooklet plays, and where the ferns and wild flowers grow, the grassy slopes that lead down to the water's edge, and above all the atternating glimpses of the winding waters of the Kentucky river, as it flows gently or forcefully through the deep gorge—cut by nature strough the everlasting hills—are cach and all elements of a picture-sque beauty that charms and captivates, delights and exaits. To catch a glimpse of the lovely picture that Frankfort unfolds in its emeral and rustic setting, go, this summer, to the projecting point near where the old toll-gate stood upon the Flat Creek pike, and look down the valley of Benson upon the nestling city, or stand upon the brow of the cliff at the top of the ascent above the arsenal, and look up the river and across to the new capitol and Arnold's Hill, or climb to the top of Fort Hill and sweep the valley and the horizon in a bird's eye view, and you will no longer wonder why visitors are entranced by the lovely view about Frankfort and why the visitors are entranced by the lovely view about Frankfort and why the camera has transferred them to adorn so many treasure albums throughout the world.

The encyclical letter of the Pope The encyclical letter of the Pope of Rome, forbidding the introduction of opera music into church service, will no doubt be generally accepted as a propier conclusion by the unmusical, if not the musical world. But we doubt whether his objection to female voices being permitted to participate in church choirs will be as favorably received. The soft and persusave melody of the female voice in song has a power over the and persusave melody of the female volce in song has a power over the hearts and the souls that the harsh-er notes of the male volce can never touch. With ineffable aweetness and rythmic gentleness, the soft music of the female volce tender-ly vibrates along the inner chords of the soul of saint and sinner-melting, subduing, wooing and winning into a tender obedience to the

higher and better life. The female voices ought not to go from the church choirs. If woman was the cause of the fall of Adam, she ought at least to be permitted to sing the sons of Adam back into the Kingdom that is the spiritual representative of the Garden of Eden.

Miss Elizabeth D. Giltner closed her misse class in this city this week with two recitals—the first at the residence of Dr. J. W. Gayle, on Washington street, Wednesday evening, and the second at the residence of Mr. H. H. Roberts, on Conway street, Thursday evening—both of of which were largely stended and greatly enjoyed. The pupils gave ample evidence of the careful training they have received, and they, as well as their accomplished teacher, were warmly congratulated upon the progress they have made during the year. The many friends of Miss Giltner will be glad to know that when she returns from her trip to Europe in the fall she will come to this city for a permanent location, will open a studio and give her whole time to her class here, instead of dividing her time between this city and Lexington as heretofore. fore.

School.

Gospel services began in earnest here Monday night. They are held nightly in the Mission Tent on North Main Street, near the Graded School. The services are conducted under the auspices of Mr. John C. Vengradall's Mission. He has secured the services of Col. Noel Gaines, of Frankfort, who will speak every night this week and next Sunday afternoon at 2:30 o'clock. Then on Sunday Rev. B. S. Patterson, a fine evangelist, will arrive and assist in the preaching. Stirring gospel sermons and ringing reform lectures are the features of this tent revival. It is inter-denominational, for everybody, Christians and sinners alike. Col. Gaines gives this as the motto for his work—"Expect great things for God." This indeed sounds just like the man. His subject for next Sunday afternoon is "The Kingship of Godmade Character." Col. Gaines especially wishes all business people and public men to come to this Sunday afternoon meeting. He says he has something pointed and important for them.—Harrodsburg Herald, May 29. them. - Harrodsburg

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper aliment. Don't make the common error of treating symptons only. Symptom treatment is treating the result of your aliment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "finded nerves." Also for bloating, billiousness, had breath or complexion, use Dr. Shoop's Restorative. Write for my free Book on Dr. Shoop's Restorative. MCCLURES' STARTLING SUIT SALE

The Greatest Suit Offer Ever Made in Frankfort

寒18

FOR SUITS WORTH \$25, \$30, \$32 AND \$35

MANY SILK LINED SUITS IN THE LOT.

Here's what happened. A big Rochester maker of fine clothes got worried on account of the cold spring. He wanted to get rid of his stock and he was willing to take most any old price if he could only dispose of the goods. He offered them to us at an enormous reduction from usual prices.

WE BOUGHT THEM 🚜

Now, listen! This maker makes only the finest of ready-to-wear clothes, retailing regularly at \$25 to \$35. Every suit in this purchase is hand-tail-ored, the larger part of them are made of imported worsteds, and probably one-fourth are SILK LINED THROUGHOUT. A tailor could not make you a better suit for \$40. There are nearly 400 suits in the lot---a greater variety of really fine suits than was ever before put under one roof in Frankfort, there being about 50 different styles to select from. There are all sizes up to 50 stout, including regulars, longs and stouts.

The suits are here ready for you. There are club checks, plain grays, dark worsteds, almost every conceivable pattern, and, to begin with, there are all sizes in every pattern. At least half of the suits are worth \$30 and over. Come early and get a suit of imported fabrics, silk lined, hand-tailored for \$18. The chances are that it will be many years before we can again make such an offer.

You Cannot Afford To Miss This!

Boys' \$7 to \$10 Suits,\$5 00 Boys' 5 and 6 Suits, 4.00

This boys' suit sale helps along at commencement time. Choice of any knee pants suit in stock worth \$5 and up as above. Blacks and blues included.
